龙舌兰, Whippersnapper威士忌, Cointreau, 鲜榨青柠檬汁

I don't know how or why but Billy Idol wrote this song about the perfect blend of Tequila, Whippersnapper American Whiskey, Cointreau and Fresh Lime Juice. It's like the Billy Idol of boozing.
金樽清酒斗十千, 玉盘珍馐直万钱。

HEMINGWAY DAQUIRI ◆海明威代基力◆

Tonga Island 朗姆酒, Luxardo Maraschino, 西柚汁

"Don't have daquiris with your young ladies. Try not to because you can't have daquiris without Tong Island Rum, Luxardo Maraschino, and Grapefruit Juice and then you pity yourself so much you can't remember what the other person has said."

对酒当歌, 人生几何?

NO. 10 NEGRONI ◆内格罗尼一号◆

Compari, 苦艾酒, Tanqueray 10 金酒

I used to have this recurring dream where I was Superman but also drunk. Like, I was really Superman with a cape and hair coiffed into an S - but as I said: in the dream, I'm drunk. No one believes me in the dream and when I try and prove it to them by flying I just jump in the air and fall on my face. I don't know what that means. I guess it doesn't have anything to do with a Negroni made with Tanqueray 10, but then again, you never know.

浊酒一杯家万里, 燕然未勒归无计。

SALTED CARAMEL OLD FASHIONED ◆焦糖古典鸡尾酒◆

70
RMB

Bourbon威士忌, 橙味苦酒, Grand Marnier

We took some Grand Marnier and added it to some house made Salted Caramel, then brought in some Whiskey and Orange Bitters. It's so retarded good it's like the Forrest Gump of cocktails.

白日放歌须纵酒, 青春作伴好还乡。

MONKEY SOUR ◆猴尾酒◆

70
RMB

香蕉Jameson, 柠檬, 蛋白, 糖水

I hate bananas; even the name is so dumb. The only way I can remember how to spell it is I have to sing that Gwen Stefani song, hollaback gurl every time. Anywho, we slowed infused Jameson with b-a-n-a-n-a-s over a period of 5 days and turned that baby into a sour with Lemon, Egg White and Sugar. You can also order it as a shot of the infused Jameson for 60rmb.

举杯邀明月, 对影成三人。

FUCKING AWALL ◆真他妈的AWALL◆

70
RMB

波旁威士忌, 薄荷, 冰

This is basically my love letter to Bourbon. It's whimsically served in an ice cold flask with Mint Infused Ice over a bed of fresh Mint Leaves. There might be more you can want from a drink but if so, it doesn't exist on this Earth yet.

劝君更尽一杯酒, 西出阳关无故人。

HARVARD GIN & TONIC ◆哈佛金汤力◆

金酒, Thomas Henry 汤力水, 鲜烤迷迭香

Roasted Rosemary, Tanqueray Gin, and Thomas Henry Tonic
A Harvard freshman, lost on his first day of classes, stopped a passing professor and asked, "Excuse me, do you know where Emerson Hall is at?" The professor eyed him contemptuously and said, "Young man, at Harvard, we never end a sentence with a preposition." The young man replied, "Oh, excuse me. Do you know where Emerson Hall is at, asshole?"

ROB FORD ◆罗布福特◆

RMB

Cocalero, 鸡蛋白, 柠檬汁, 苦酒

Named in honor of our favorite Mayor from Toronto, we took a Sour and elevated it to the next level. We use Cocalero, a Bolivian Coca leaf infused Liquor and then add some Egg White, Fresh Lime Juice and Bitters to make it narcotically addictive.

古来圣贤皆寂寞, 唯有饮者留其名。

THE SPICE TRADE ◆胡椒马天尼◆

80
RMB

金酒, 生姜, 胡椒, 罗勒

No joke, but Blanche from the Golden Girls is seriously my favorite GILF (the G stands for Grandma) and if I watch her enough I start to get all sorts of ideas. Spicy ideas, like, Ginger, Pink Peppercorns, Gin and Basil.

明月几时有? 把酒问青天。

THE SAGE BABYMAKER ◆鼠尾草宝贝◆

Rye威士忌, 橙味苦酒, Grand Marnier

You think Calvin from Calvin and Hobbes ever took his parents out for a drink after he grew up? Like, wine for his mom, maybe a beer for his dad and no one mentioning Hobbes at all, pretending he never happened. But then Susie Derkins walks into the bar pregnant with a baby and orders the following libation of Thyme, Sage, Gin, Lemon and Simple Syrup. Sometimes I imagine that and I realize I've smothered my childhood.

TAIXING MULE ◆泰兴骡子◆

RMB

提托伏特加, 干姜啤酒, 肉桂菠萝糖浆, 新鲜青柠汁

No one would ever mistake me a man of learnin, or sciencin, or medicine or grammer but they would if they tried Doc Logan's old timey cure all of ginger and cinnamon pineapple syrup.

把酒花前欲问君, 世间何计可留春。

ZHONG YUAN OLD FASHIONED ◆张园古典鸡尾酒◆

80
RMB

波本威士忌, 自制蔓越莓肉桂糖浆, 樱桃苦艾酒

Did you ever watch that movie Predator and wish he would show up in other movies and shows. Like, can you imagine how bad ass it would be if during that movie Home Alone if when Joe Pesci goes to ring the door bell you see those 3 predator laser lights just show up on his forehead? I mean that's one idea - otherwise the think how awesome Showgirls would have been with a Predator.

晚来天欲雪, 能饮一杯无?

THE GREEN LANTERN ◆绿灯侠◆

80
RMB

绝对伏特加, 芥末, 苹果利口酒, 新鲜黄瓜汁

An homage to Sushi and drunken day dreams we took the best parts of both worlds and like an old master made them amazing. Probably our most popular drink by far.
